

Conservation Areas Facility Rentals

Whether you are planning a meeting, seminar, company picnic, youth group camping trip, family gathering or wedding, conservation areas offer unique options for your event. We have a variety of facilities and natural areas that provide a beautiful backdrop for a range of occasions. Please note that reservation well in advance is recommended to avoid disappointment.

There are several different types of facilities available for reservation:

- **Interpretive centres** – Located at Baxter and Foley Mountain, our interpretive centres feature a large common room as well as full kitchens and flush toilets. They are available for meetings, social gatherings, and community group overnight bookings.
- **Group camping** – Both Baxter and Foley Mountain offer group camp sites available to organized groups such as Guiding, Scouting, schools, church groups and other associations.
- **Cabins and other buildings** – Additional buildings can be rented along with group camping areas for extra shelter or by groups for other functions. These unique buildings may feature varying levels of service including off-grid energy and woodstoves.
- **Picnic shelters** – Our shelters feature a roof for protection from bad weather as well as space for approximately 10 picnic tables making them a perfect setting for a family reunion or corporate picnic.
- **How to book** – Please contact the conservation areas directly. In some cases, online booking services may be available.

Book it!

Foley Mountain To book these facilities or for more information, call Foley Mountain at 613-273-3255, or email rebecca.whitman@rvca.ca, or visit <https://sites.google.com/site/foleymountain> for online booking
