Do you give your child permission to swim? YES NO

Does he/she require a flotation device? YES NO  
(If yes, parents/guardians are responsible for providing approved flotation device)

Does he/she have any water fears? YES NO

Does he/she have any other special needs? Explain YES NO

**2. Parental Consent**

*[Required for Participation]*

**Please note:**

1. Camp programming is developed and delivered by a certified Outdoor Education Teacher.
2. Children will be supervised when swimming and while on Cow Island by a lifeguard.
3. The BRLA and Rideau Valley Conservation Authority take no responsibility for injury however caused. Parents and guardians are welcomed and encouraged to stay during programs and assist whenever possible.
4. There is no electricity or drinking water on Cow Island. Children must bring their own drinks, snacks and lunch.

I give permission for my child, named above, to participate in the Cow Island EnviroCamp. I have read and understand the above information concerning the nature of the program and exclude the BRLA and Rideau Valley Conservation Authority from liability.
